Sir:

RESPONSE TO ELECTION OF SPECIES REQUIREMENT

In response to the Office Action dated July 15, 2003, Applicant hereby elects the species of eugenol and forskolin, upon which it is believed that at least claims 1, 5-14 and 16 are generic. The species election herein is made without traverse to the extent that it is understood that (a) the election of species requirement will be withdrawn upon the finding of an allowable genus; and (b) any species withdrawn from consideration will be transferred to the elected subject matter unless it is found to be patentably distinct from the elected or allowed claims.
